**Michigan now has four new gun
safety laws to protect our families
and communities.**

Safe Storage

Michigan requires guns to be locked and safely stored in homes with children.

Extreme Risk Protection Orders (ERPOs)

Family can now ask a judge to temporarily remove firearms if someone has become a danger to themselves or others.

Domestic Violence Protections

Michigan protects domestic violence survivors by removing all guns from abusers 8 years after their sentence is complete.

Universal Background Checks

Michigan requires background checks for all gun purchases, including those between two individuals.
